Diversity Planning Institute, a Florida non-profit, is continuing its commitment to produce the Lifestyles Magazine Radio show with its Public Affairs Programming. Utilizing the opportunity to provide a community service with informative, vital, and verified information on the new Community Affairs Lifestyles Magazine Radio Network serving South Florida, from Boca Raton to Fort Lauderdale, Pompano Beach, Hollywood, Miami, "Gold Coast" , and " Treasure Coast", Florida.

New programing will not start until the end of January. 2018. We are aiming for a 1 hour weekly schedule starting from our office (Downtown, Boca Raton, Florida). In the meantime, all of our archived shows of the past 3 years will be available 24/7 on www.LifestylesMagazineRadio.com.

Very important relevant information to protect your lifestyle and Public Broadcasting Service announcements to liven up your cultural and Lifestyle quality will be also posted on LifestylesmagazineRadio.com.

New and current "Facts from Fiction"© about Health, Financial, Legal & Political Commentary; and credible, researched facts to protect and improve your lifestyle will be our focus. Many of the announcements will include information about not-for-profit's service programs helping our South Florida communities.

Nationally, current links to The Consumer Financial protection Bureau (CFPB) and Judicialwatch.com will continue. Kennedy emphasizes "We commit to telling the truth, the whole truth as we editorially have done on 'iheartradio and WBZT. for the last 3 and a half years, and my entire career as a Financial Advisor and investgative Broadcast Journalist."
